AVAILABILITY OF IN-DISTRICT SCHOOL CHOICE AND SES SERVICES FOR ELIGIBLE RIVERBEND, SANDERS STREET AND ATHOL-ROYALSTON MIDDLE SCHOOL STUDENTS AND PARENTS

Because MCAS scores were not deemed adequate on certain tests in 2009 and 2010, income eligible students in these schools qualify for Supplemental Education Services. This is only true for the students in Riverbend, Sanders Street and Athol-Royalston Middle School because of the percentage of students in those schools that qualify for Title I funds. For more information call 978-249-2430 ext. 5120.

For approved SES providers, go to the Department of Education's "Find a Provider" page: <http://www.doe.mass.edu/ses/results.aspx>
