

# Athol-Royalston Regional School District

## Parent/Guardian Letter

Dear Parent/Guardian:

We would like to inform you of the policies that have been put in place to ensure the health and safety of children needing medications during the school day.

Our school district requires that the following forms must be on file in your child's health record before we begin to give any medicine at school:

1. Signed consent by the parent or guardian to give the medication. Please complete the enclosed consent form and give it to your school nurse.
2. Signed medication order. The written medication order form should be taken to your child's licensed prescriber (your child's physician, nurse practitioner, etc.) for completion and returned to the school nurse. This order must be renewed as needed and at the beginning of each academic year.

These forms may be faxed to your child's school.

Medications should be delivered to the school in a pharmacy or manufacturer-labeled container by you or a responsible adult whom you designate. Please ask your pharmacy to provide separate bottles for school and home. No more than a thirty-day supply of the medicine should be delivered to the school.

When your child needs a medication to be given during the school day, please act quickly to follow these policies so we may begin to give the medication as soon as possible. Thank you for your help.

Sincerely yours,

School Nurse
