What's Happening in Preschool

Our Healthy Food theme is underway! The students are having a wonderful time learning all about food groups and healthy food choices. Here's a look at our activities and projects planned for this week:

- Journal name writing practice
- Tally marks on eggs
- Picture Reading in Library
- envelope books
- Watercoloring at the easel
- Reading buddies with Kindergarten friends
- drawing lessons with Ms. Angela

Letter of the week: E for elephant, egg, and EAT!

Thanks so much to Officer Bill Chapman and Officer Ray Jackson for his recent visit to our morning preschool class with his three furry friends, the bloodhound puppies! The students had a wonderful time visiting!!

We have been able to get outside a few times recently, and we hope to continue to play outside as the weather is cooperative. As long as there is still snow, please keep sending in those boots and snow pants! Even when the snow is gone, we will surely have lots of mud, so the boots will continue to be helpful. We try our best, but your child may be a bit wet from playing outside. If you need to go somewhere right after school, a change of clothes in the car might be helpful!

Parent Reminders
