- Children get matched with a highly screened and trained Junior at NMH in the late Fall
- Matches last 1 ½ years, meeting on Friday nights on the NMH campus from 6-8:15pm
- The program meets during the school year only, Sept through early May
 - The program is FREE!
- Children eat dinner on campus with their Big every week, again, for free.
- Parents, teachers, counselors, principals, or other adults can refer a child...just call us!
- Spots are limited and are matched on a basis of need and availability
