ATHOL- The Athol High School boys' basketball team will be hosting "Senior Night" tonight when they take on Turners Falls High School.

Raider Nation will recognize team members Isaac Raulston, Tyler Lutz, Tyler Boyd, Avery Ciyatt and Jordan Chapalonis prior to the contest.

The boys have had a tough season so far with a record of 1-16. Players and head coach Dan Bevis both can say that their defense and rebounding skills need to be improved.

"We just need to continue to work hard and get better everyday," said coach Bevis.

One key factor in the boy's gameplay would be their determination to keep fighting.

"Our willingness to fight, despite what the scoreboard says," said Isaac Raulston of the team's biggest strength.

Tonight's tip-off is scheduled for 7:30 p.m.
