March 10, 2017

Dear Parents/Guardians:

The traffic situation in the morning and the afternoon has become a safety concern for the school community. It is difficult for the buses to enter the school driveway to drop off and pick-up students with parent/guardian drop-off and pick-up in front of the building by the flag pole entrance. In an effort to support the safety of all students during morning drop-off and afternoon dismissal, Athol High School will be implementing a new traffic procedure, beginning on Monday, March 13, 2017.

During the morning drop-off from 7:15-7:40am, parent/guardians are requested to now drop off students to the rear of the building off Lake Ellis Road. Students would then walk-up the hill and enter the building by the cafeteria. The same procedure would be required for the afternoon pick-up from 2:00-2:15pm. In addition, please refrain from parking in front of the school beginning from 1:45pm to the close of school at 2:05pm.

If you have any questions or concerns, please call or email me.

Sincerely,

Mitchel G. Aho  
Principal
