

ARRSD Grades 2-7 Virtual Math Summer School Sign Up

ARRSD's 2020 virtual summer school is focused on supporting students in grades 2-7 (students entering grades 3-8 in the fall) in the area of math. Summer school will run Monday through Thursday July 6th through July 30th. Students will be in small groups of up to 5 students. Sessions will take place between 8am and 12pm. Students will be assigned to a 1 hour session within that time. All sessions will take place virtually using the Google Meet platform.

If your child is currently enrolled in 2nd through 7th grade and you would like them to participate in virtual math summer school, please use the link below to sign up your child. If you are signing up more than one child, please complete a form for each child.

If you prefer, you may call us at 978-249-2400.

Registration for Virtual Math Summer School closes June 30th. Please note that spaces will be limited.

New Update!

Y-ACES and Y-ARMS summer programs will be taking place in-person at Athol High School this summer. If your child enrolls in the YMCA program and signs up for Virtual Math Summer School, they will be provided a Chromebook and space during the YMCA program to participate in virtual summer school. Your child can do both programs!

For more information about the YMCA program, including registration, please see the information below.
