Dear Teachers, Staff, Parents, Guardians and Students,

The district has been made aware of two positive cases of COVID-19 at ACES. The two employees work in the cafeteria. The Department of Public Health has been notified and they are in the process of doing contact tracing. All members that they believe were in close contact with the employees will be asked to quarantine by the DPH and/or get a COVID-19 test. The individuals will not be allowed back in the building until they meet the Department of Public Health's criteria. The building will remain closed until deep cleaning has occurred. Our district remains committed to the health and safety of our community and we will continue to work closely with all stakeholders to ensure our buildings are safe.

Sincerely,  
Darcy Fernandes  
Superintendent of Schools  
Athol-Royalston Regional School District
