

Breakfast and Lunch Delivery Returns

September 14, 2020-October 2, 2020

The Athol-Royalston Regional School District will continue breakfast and lunch delivery from September 14 - October 2, 2020. Parents and students will go to the same place they have in the past to pick up their breakfast and lunch. Drop off will be the same time.

Once in-person learning fully begins on October 5, 2020, pick up locations will be designated for remote learners. Parents will get further information on this in the next few weeks.
