## Information about Vaccination Requirements

- **FLU Shots:** All ARRSB Students are required to get a seasonal flu vaccination by 12/31/20 whether attending school in person or remotely.
- **Meningitis Vaccine:** Required for all Grade 11 students
- If getting a vaccine is **medically contraindicated**, please provide your school nurse with a document stating this from your healthcare provider. These statements are required annually.
- If getting a vaccine is in **violation of your or your parent/guardian's sincere religious beliefs**, please provide a document stating so to your school nurse. These statements are required annually.
