Dear Parents/Caregivers,

David King
Principal
Athol-Royalston
High School

Over the last month, the District has followed a process to select the new Athol-Royalston Middle School Principal. Thirty-two candidates applied for the position. A committee of parents/caregivers, teachers, school committee members, and administrators narrowed the pool down to eight candidates to interview. After the interviews, the committee selected three individuals to move forward. All three finalists were outstanding choices making the selection process difficult.

Director

The candidates brought to the table unique perspectives and a great deal of experience. After reviewing surveys, calling references, listening to candidates interact with teachers and parents, I have decided to appoint Julie Stanley as the new Athol-Royalston Middle School Principal.

Thomas Telicki
Principal
Athol-Royalston
Middle School

Mrs. Stanley has been a member of the District as a special education teacher, BCBA, and administrator for twenty years. Her references have praised her as a genuinely dedicated person to children, a respected professional, and a person who is committed to the Athol-Royalston communities. I am happy to welcome Mrs. Stanley on board.

Shannon Cleveland
Principal
Athol Community
Elementary School

Mrs. Stanley will be present at the next school committee meeting to introduce herself and will begin working with Mr. Telicki in mid-spring to ensure a smooth transition.
