Good afternoon families,

Thank you to all families who returned their Chromebooks. For those families who chose to keep them for summer learning or were unable to return them, please be advised that all Chromebooks **must** be returned to Athol Community Elementary School (ACES) by August 7, 2020. It is essential that all Chromebooks be returned for maintenance and upgrades before use in the 2020-2021 school year.

As stated in our mission, The Athol-Royalston Regional School District is committed to providing challenging educational experiences that inspire students to acquire the knowledge and skills to become responsible citizens in the global community, to that end, it is important that all technology is in proper working order for optimal usage for all students and families.

If you are unable to return your Chromebook due to unforeseen circumstances please contact your building principal to make arrangements for pick up.

Thank you,

Ed Skutnik
Director of Technology
