Dear Parents/Guardians,

On Friday, February 25, 2022, the federal Centers for Disease Control and Prevention announced that it is no longer requiring that masks be worn on school buses or vans for K-12 students and children in childcare programs. A memo from DESE came out this week supporting this decision. For this reason the district will no longer require that students wear masks on the buses. As always, any individual who wishes to continue to mask should be supported in that choice.

Thank you,

Ms. Fernandes
