Re: Panorama Survey

Jody Leazott
Administrative Assistant

Dear Parents,

John Salovardos
Director of Pupil Services

A couple of weeks ago I reached out to families to let them know of the Panorama Social Emotional Learning survey that we wanted to have students complete this Thursday, November 10th. My apologies for the lateness of this notification, but in an effort to be as transparent as possible with our social emotional based surveys, we have been talking about ways to share the content of the survey with you in hopes that it might aid families in understanding the types of questions that are included in it.

David King
AHS Principal

Julie Stanley
Principal
Athol-Royalston
Middle School

As an administrative team and with other stakeholders, we have also been talking about ways to administer the survey in a way that would engage parents into the process of completing the survey with their children with the hope of generating a greater level of conversation within your households.

Shannon Cleveland
Principal
Athol Community
Elementary School

Becky Janda
Principal
Royalston Community School
Title I Director

The options of completing the survey would be more in the hands of families as the survey could be reviewed and completed at home after school hours. You would be able to review the questions with your child and discuss with them the content if the student had any questions.

Stephen Femino
Facilities and Transportation

Leah Jack
Business Manager

For these reasons we will be delaying the release of the survey for now. It will not be released on November 10th as originally planned, but will be released in a way that aligns with the information shared in this letter at a later time.

Edward Skutnik
Director of Technology

If you have any questions about the survey, please feel free to contact me.

Sincerely,

John S.

Dr. John Salovardos
Director of Pupil Services
